

# 'Art for YOUth' Program Information Flyer

## PROGRAM INFO

'Art for YOUth' is a professional visual arts program designed for young people (grades 6-12) who would like to try their creative abilities for the first time, as well as for those who want to further develop their already existing artistic skills.

We run our after-school classes once a week at the cost of \$24.00 per student per class. We collect registrations on-line and handle all other administrative tasks to minimize the impact our program may have on the school's day-to-day operations.

The artistic concepts taught in our classes include perspective, composition, properties of colours and their mixing, light and shadow, and other.

## ART PROJECTS

Projects change from session to session so there is always something new to learn for both first time registrants as well as for those who register for consecutive sessions. Most projects are 1 or 2 classes-long and cover a wide variety of subjects such as landscape, still life, animals, portrait, abstract and other. We use a variety of materials and media including paper, canvases, mixed media, oil and soft pastels, pencils, acrylic and water paints, chalk and many other.

Remarkable art pieces that students create in this program usually decorate their homes or are given as unique presents to family and friends. They are also often used to build a portfolio required for specialized art programs in secondary schools.

## ABOUT iCREATE ART STUDIO

iCreate is a small, professional fine arts studio located in Clarkson Village, Mississauga. It is led by Agnes Piatek, who is a certified arts educator with over 20 years of teaching experience and Peter Gozdyra, the studio manager.
