

Art materials for the 4th watercolour class: Abstract

We recommend buying student-level materials in an art supplies store. The Dollarama-level materials may not be of a satisfactory quality.

We bought all the below listed materials in DeSerres store in Oakville (2501 Hyde Park Gate, Oakville, ON L6H 6G6, 1.905.829.9181), but other arts supply stores such as Curry's or Michael's may have comparable materials. Prices may vary depending on the store and the quality of the materials, but the whole supply should cost between \$50-\$70.

List of materials:

1. Watercolour paper pad size 9x12 inches
2. Watercolours – pan set of at least 12 colours
3. Watercolour crayons (set of 12)
4. Pencil crayons (set)
5. One large watercolour or universal brush (round or flat), size around 1" (inch)
6. One medium paint watercolour or universal paint (round), size 10 to 14
7. Plastic container (half filled with water for the class)
8. Several paper towels
9. Plastic or ceramic plate (for mixing colours)
10. Spray bottle with water (optional)
